

BREITENBURG

SPA

WELCOME

Our spacious Spa will amaze you. Whether you're looking for a soothing beauty treatment, a revitalizing cleaning ritual in the hammam, or an extended sauna session followed by refreshment in the infinity pool, which can – depending on the weather – transform from an indoor to an outdoor pool thanks to its movable panoramic windows – let yourself be pampered and enjoy with all your senses.

Overlooking the Breitenburger canal, after an intensive massage or a visit to the hammam, you can relax on our loungers in one of the four relaxation rooms and forget the stress of everyday life with a soothing glass of tea.
